# Entertainer's Dream

## MOHAKA 191

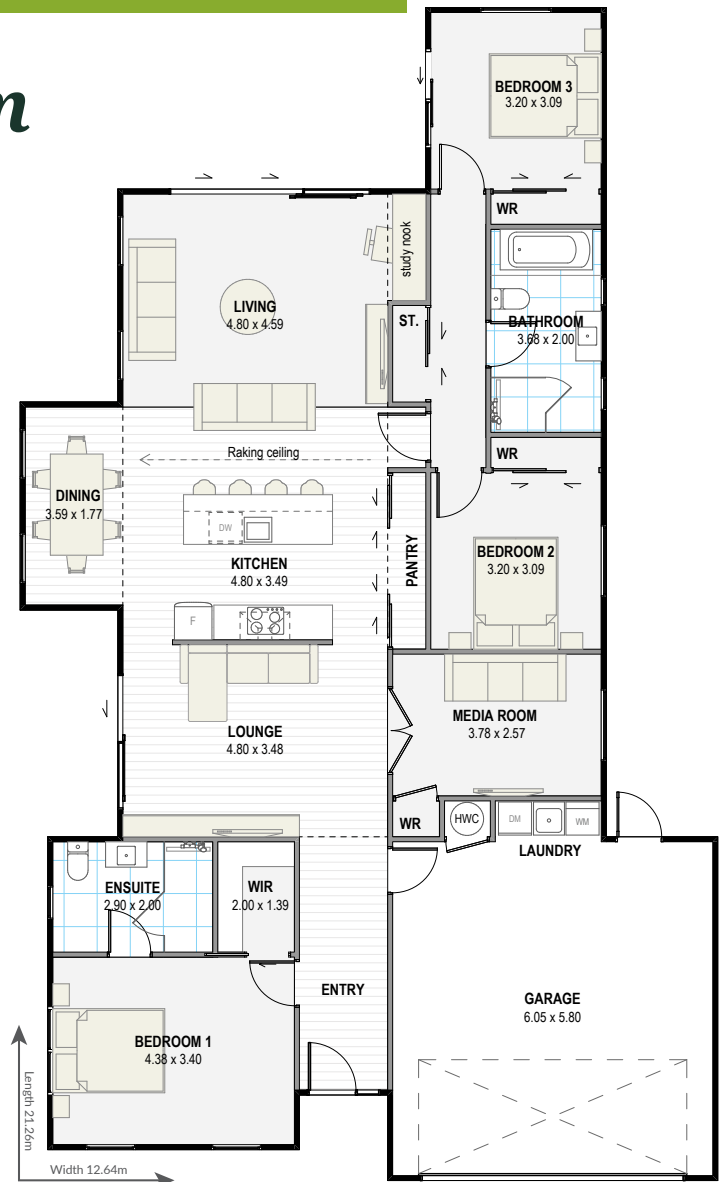

The Mohaka is a family-oriented plan that brings together a welcoming living area, a relaxed family room, and a versatile media lounge. The main bedroom with ensuite is positioned for privacy—perfect when you need a peaceful retreat from busy family life.

If working from home is your style, the media room can easily transform into a dedicated study. Smart, savvy and adaptable, this design offers plenty of space for growing families or those who love to entertain.

*Yes! We can modify all plans to suit your preferences, budget, section size, and orientation.*
