Vaulted Ceiling

MEDWAY 166

The Medway will see you make headway. The highlight has to be the cathedral ceiling in the kitchen and the living areas exuding an airy sense of freedom throughout. The third bedroom is well-positioned as an optional study for those who want to work from home in style.

With sheltered outdoor living and bundles of space above the garage this plan isn't just appealing from the street, it's extremely practical too.

Yes! We can modify all plans to suit your preferences, budget, section size, and orientation.
