Sophisticated Style

TAIRUA 185

The Tairua represents style and sophistication. On first impression its 'twin peaks' roofline demands your attention by pulling your focus towards an attractive recessed entranceway in the middle of the home. A sizeable and well-proportioned kitchen (with butler's pantry) and living area open out to a large sunlit patio.

This plan is optimally sized for a family, or as a comfortable retirement pad, whether it's beachside or in the 'burbs. Practicalities aside, its gorgeous street presence will appease the most discerning of tastes.

Yes! We can modify all plans to suit your preferences, budget, section size, and orientation.
