Cosy Abode

TÖTARA 111

This little pearler is perfect for couples or single occupants climbing onto the property ladder.

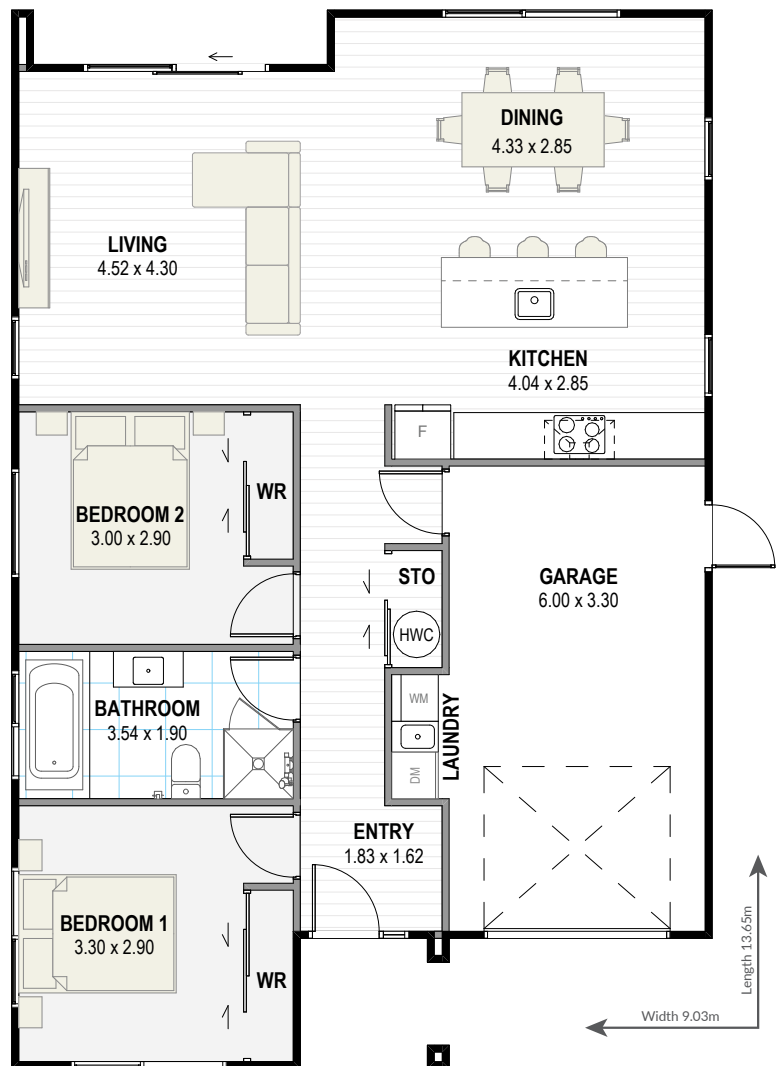

If you're in your twilight years it could be modified to Lifemark® standards for better accessibility and liveability, truly optimising comfort and future-proofing your investment.

It has a larger than usual main bedroom for such a cosy home and it's ideal for compact sections.

Yes! We can modify all plans to suit your preferences, budget, section size, and orientation.
